CREATING A HOME AWAY FROM HOME

Welspun Hospitality, the hospitality division of the rapidly growing Welspun Group, a publicly-traded Indian conglomerate, is headquartered in the United States. As the world's largest home textile manufacturer, Welspun serves 51 countries, including the United States, Canada, Mexico, India, Asia, Europe, and the Middle East.

Offering a comprehensive textile solution, Welspun maintains a diverse range of products readily available for delivery within 48 hours from our state-of-the-art 350,000 sq.ft. warehousing facility in Ohio. Our manufacturing process oversees every aspect, from concept to delivery. We meticulously control all production elements, from selecting premium cotton qualities to product design and manufacturing. Collaborating with customers on forecasting and planning, we ensure seamless shipping through a well-established global network.

Pillows

These pillows feature an advanced microfiber filling designed for a perfect balance of softness and support. Encased in a smooth 233 thread count (TC) cotton fabric, they deliver medium-firm comfort suitable for all sleeping positions. Available in soft and firm variations, these pillows are **lightweight, breathable, and machine washable** for effortless maintenance.

The sturdy double-stitched edges ensure durability, while their shape retention offers excellent head and neck alignment. This premium filling composition enhances comfort and longevity for an exceptional sleep experience.

ITEM	DIMENSION (W cm X L cm)	DISCRIPTION	ARTICLE
Soft Pillow	50 x 75	800 gram weight	ACCH-SS-STPW-01
Firm Pillow	50 x 75	1000 gram weight	ACCH-SS-FMPW-01

Duvets

Custom sizes are available on request with MOQ and extended lead time.

Duvets

Our fine duvet collection is crafted with a premium 233 TC 100% cotton fabric, delivering a smooth, breathable surface that enhances both comfort and durability. The microfiber filling offers a perfect balance of warmth and lightweight coziness, ensuring a restful night's sleep in any season. Hypoallergenic and gentle on the skin, this duvet is designed to provide long-lasting comfort while maintaining its softness over time. Available in two options—standard and lightweight—this duvet combines luxury, style, and practicality, making it an ideal choice for your guest, as well as your bed.

Pillows Protector

Our pillow protector is made from a high-quality 180 TC fabric blend of 60% cotton and 40% polyester, offering a soft, durable, and breathable surface for ultimate comfort. Available in both zipped and housewife styles, it provides excellent protection for pillows while ensuring easy maintenance and a secure fit.

The cotton-polyester blend is designed to withstand frequent use while maintaining its softness and durability. Whether you choose the convenient zip closure for added security or the classic housewife style, this pillow protector combines functionality and comfort, making it an ideal choice for you guest , as well as your bed.

ITEM	DIMENSION (W cm X L cm)	DISCRIPTION	ARTICLE
Pillow Protector	53 x 77	Zipped	ACCH-SS-PWPR-01
Pillow Protector	53 x 77	Housewife	ACCH-SS-PWPR-02

Matress protector

Matress protector

Our **Waterproof** mattress protector is crafted with a 200 TC poly-cotton fabric, offering a soft, breathable surface that ensures comfort while providing reliable protection. The 30 cm deep skirt fits securely around the mattress, making it ideal for deeper beds, and the waterproof layer shields against spills, stains, and allergens, helping to extend the life of your mattress.

This protector combines the durability of polyester with the softness of cotton, delivering a practical solution for preserving mattress quality while maintaining a comfortable sleeping environment. Perfect for your bed mattress, it ensures peace of mind and long-lasting protection.

ZERO FRESHWATER USAGE AT ANJAR - A SUSTAINABLE REVOLUTION

At Welspun, sustainability isn't just a commitment - it's a way of life. Our 30 MLD Sewage Treatment Plant in Anjar treats wastewater ensuring 100% of our facility's water needs are met without using a drop of fresh water.

We have the capacity to recycle over 7 billion liters of water every year.

By eliminating the need for freshwater, we are pioneering sustainable solutions for industries worldwide.

EDUCATION

500+ classrooms digitized,
benefitted over 1,80,000+ students

EMPOWERMENT

Sustainable Agriculture & Rural Development
1,90,000 individuals positively impacted

ENVIRONMENT

69,700+ women trained;
90+ villages covered

Our Commitment to Social Change

At Welspun World, our core values are built on three strong pillars that define our purpose and responsibility. Guided by our **3Es - Environment, Education, and Empowerment & Health** - we are dedicated to fostering positive change.

For us, social progress is not separate from our own progress; it is deeply intertwined. By driving sustainability, championing inclusive growth, and strengthening communities, we strive to meet present needs while building a better future for generations to come.
